## Curbside Garbage

All garbage **MUST** be in bags and securely tied, even if using garbage cans. It is hazardous to our employees to remove gloves to tie bags.

Please understand with loose garbage we are unsure what may be in it and therefore could be very dangerous to our employees.

Loose/untied garbage **WILL NOT** be picked up. Please make tied handles accessible to our workers, upside down bags are difficult to pull out of cans without tearing.

If bags are ripped open due to animals or are untied, it is your responsibility to re-bag any loose garbage.

### Unacceptable items:

Appliances, batteries, chemical products, construction debris, tires, electronics, flammables, fluorescent bulbs, hazardous waste, pesticides, liquid paint/stain, animal waste, medical waste, human waste.

Sometimes the routes change. As a result, garbage **MUST** be at the road no later than 6:00 AM on your scheduled pickup day. If we have passed your residence and trash is not out, we will not come back.

This also includes suspended accounts that are paid on the same day as your pickup.

**Pickups can be anytime between 6:00 AM and 6:00 PM.**

## Recycling

Recycling is picked up once a month (unless you have been informed otherwise by our office) and coincides with your first garbage pickup of the month.

You may bring recyclables to us if monthly pickup is not convenient for you.

If recycling is out other weeks, it will not be picked up.

## PLEASE NOTE:

- We do not recycle glass. Our workers hand sort the recycling and it is a potential hazard for them.
- Food containers must be rinsed out. Pizza boxes must be empty.
- Any type of styrofoam (fast food containers, coffee cups, packing peanuts, etc) is not recyclable.

Recycling is picked up by separate trucks and not at the same time of day as trash. Make sure your recycling and garbage are not placed together. Recycling should be placed in a clear bag or receptacle (old laundry basket, etc) that is clearly marked recycling.

## Canceling or Suspending Services

If you wish to cancel service, you must submit written notice or call our office at least two weeks prior to your last trash pickup. Any pickups made prior to cancellation will be billed to you and are your responsibility to pay.

If you are a seasonal customer, you may suspend your service once in a 12 month period. Please contact our office for further information.
